Hisense PureFlat RQ758N4SWSE Non-Plumbed Frost Free American Fridge Freezer - Stainless Steel - E Rated - WIFI

Hisense RQ758N4SWSE side-by-side refrigerator Freestanding 606 L E Stainless steel:

This American fridge freezer from Hisense is a perfect addition to your kitchen. With a 606 litre capacity, it can hold 33 bags of food for tasty meals every day of the week. You can keep frozen goodies at their best thanks to the No Frost tech, which circulates air to prevent icy build-ups. This means you never have to manually defrost it again. Plus, you'll have fresh drinks at hand thanks to the non-plumbed water dispenser - ideal for those warm summer days. Bought some extra ice cream? That's good, as the My Fresh Choice Zone can be switched from a fridge to a freezer, with a temperature ranging from 5°C to -20°C. Now you'll have the space you need for that tub of vanilla. Wifi connect could let you remotely control the temperature from your smart phone app.
